

Guidelines for the Bellaire Belles Dance Team

2009-2010

1) Performance Tryouts

- A. Tryouts may be held for upcoming performances.
- B. The director(s) may define tryouts as a formal auditioning process or general observation of the members.
- C. Each member is required to participate in tryouts. Provisions for auditions may be made for excused absences on the day of formal auditions.

2) Attendance

- A. All members are required to attend all practices and performances whether performing or not. Tutoring sessions, work, and other extra-curricular activities must be scheduled outside of dance team practice (usually Mon-Thurs until 4:00p.m.).
- B. Excused absences follow the students' guidelines for excused school absences.
- C. Members will be allowed 2 excused absences from practices for the semester without penalty. Excessive absences, even though excused may result in the loss of a position in a performance. Also absence from a practice may result in a lost position in the formation.
- D. Absence from a dance team function due to detention is considered unexcused.
- E. Members are expected to travel to and from dance team functions with the team if a bus is provided. A member may leave a function only with his/her parent/guardian (or a designated adult) if a note is received in advance. Members may not leave with boyfriends/girlfriends.
- F. Members are expected to be in attendance for the entire event except in the case of an emergency. We will announce the departure time for Thursday night games.
- G. Members may be removed from dances for absences.
- H. Students who have a major event planned for the fall may be excused from one game during the football season if the director(s) have a note stating the event's time, place, and reason for attending by September 4, 2009. After this date, no absence will be excused.

3) Expenses/Costumes-

- A. Each member is responsible for paying for practice uniforms, shoes, warm-ups, and any other apparel the group may need. Any travel expenses are also the responsibility of the member.
- B. The field uniform and team contest costumes are furnished by the Belles and the Belle Booster Club. Each member is responsible for the maintenance of these uniforms and costumes. Any missing or damaged pieces will be paid for by the member to whom the uniform/costume is issued. Before costumes are issued, a deposit of \$100.00 will be collected. This deposit will be held until costumes are returned in good repair (they should also be clean). When costumes are returned, the deposit is returned.
- C. In an effort to keep costs as low as possible, there will be fundraising events. Fundraising events will benefit the team in general. Each member is expected to participate fully.
- D. Each member is expected to remit payments for balances according to the due dates given.
